

# JEFFERSON WESTSIDE NEIGHBORS

## Motion

On March 14, 2006, the Jefferson Westside Neighbors General Membership unanimously (48-0) approved the following motion:

---

Consistent with the motion adopted by City Council at their December 14, 2005 work session, **Jefferson Westside Neighbors** requests the Eugene Planning Commission assign a “high priority” to staff and Planning Commission efforts to create effective standards to protect established neighborhoods’ character and stability from the damaging and/or destabilizing impacts of inappropriate infill.
